January 11, 2024

Dear Friends of the Mansura Chamber of Commerce, home of the Cochon de Lait Capitol of the World,

We are pleased to announce that our plans for the Cochon de lait Festival for 2024 are underway. This year's event will take place on Friday, May 10, 2024 and Saturday, May 11, 2024.

We invite you to become a sponsor for our long standing festival as we strive to continue to develop economic growth for the Town of Mansura and share our long history of our world-known festival. Your sponsorship contribution helps support our efforts of bringing new attractions to our family oriented festival. Come out and enjoy some good food, arts & crafts vendors, dance to the rhythm of our live bands and don't forget about those one of a kind contests!

Mansura Chamber of Commerce asks for your support this year in being a sponsor. Take a moment and review the sponsorship form and please contact me with any questions. Your sponsorship is a positive recognition of continuing the culture of our parish of Avoyelles.

Sincerely,

Meyhan B. Chenevert
